Forecast For Strathclyde
Issued by Met Office Aberdeen
at 1600 on Tuesday 28 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers in west, otherwise dry with clear or sunny spells.

This Evening and Tonight:
Showers continue across Argyll and towards the west coast through the evening, becoming lighter and more isolated overnight. Otherwise mainly dry with long clear spells developing and, with easing winds, turning chilly with a few mist patches inland. Minimum temperature 5 deg C (41 deg F).

Wednesday:
A few showers continue towards the coast but most places dry with sunny spells. Cloud and winds in west increasing through the evening. Maximum temperature 13 deg C (55 deg F).

Outlook for Thursday to Saturday:
An unsettled end to the week with showers or longer spells of occasionally heavy rain and occasionally strong, mainly southwesterly winds.
